WORK EXPERIENCE

Congressman David Kustoff, TN-08(Washington, DC) Scheduler

March 2023 – September 2023

- Partnered with the Chief of Staff and Legislative Director to establish goals and priorities for the Congressman.
- Directed and ensured that the daily schedule in Washington, D.C. and Tennessee's 8th Congressional District aligned to support short and long-term initiatives.
- Engaged with various stakeholders in Washington D.C. and in Tennessee.
- Worked closely and maintained relationships with House Leadership on behalf of the Congressman.

Republican National Committee

December 2018 – December 2022

Michigan Data Director

- Created target universes for the field program that made more than 3.5 million voter contacts during the campaign cycle that encompassed 13 Congressional Districts, 36 State Senate Districts and 110 State House Districts.
- Worked in partnership with the Michigan Republican Party's direct mail vendors to build a \$5 million mail program targeting voters in key State House and State Senate districts.
- Advised three of the top targeted congressional campaigns in the country on data related issues. John James for Congress, Tom Barrett for Congress, and Paul Junge for Congress.

Data Analyst

- Performed SQL data query to identify, analyze and interpret demographic trends to develop strategies for the Republican Presidential, Senate and State campaigns in Arizona, Florida, Montana, and Iowa.
- Prepared weekly PowerPoint presentations for the various campaigns within my assigned region to help target their strategy for a stronger path to re-election.
- Utilized visualizations to assist campaigns in maximizing effectiveness of television advertisements, mailing and canvassing election strategies.

Assistant to the Chief Financial Officer

- Prepared and managed the CFO's weekly schedule. Coordinated and arranged travel for RNC committee meetings.
- Updated monthly FEC filings between the Republican and Democratic campaign committees.
