Summary

As a Strategic Marketing Intern at DREAM Venture Labs, I combine my passion for business, politics, and public relations with my creative and meticulous skills. I help support refugee and immigrant entrepreneurs in launching and growing their businesses.

I am a Senior pursuing a Bachelor's degree in Political Science from the University of California, Riverside. Through my past experience I have developed analytical, research, and communication skills. I have applied these skills to various projects and roles, such as working on a political campaign, researching financial opportunities for a

sponsors, donors,
and partners.
